Not quite as wild weatherwise as the Husky football game, but close.

Six boats came out race, but as soon as it started raining, one boat went in. He should have stayed because he was as wet as he was going to get.

Race committee hadn't brought foul weather gear, so just got wet. One racer sought the shelter of the Queen City YC, but came out 30 seconds before the start. Others had to pump out their boats on the water, RC boat, too.

Wind changed directions frequently resulting in sailing the same course, but some starts upwind and then the same course downwind., By the end of the races, both the sun and the wind came out.

The day's winner was Rob Wilcox, second place went to Frank Lawrence and third place was a tie between Bob Moore and Roger Werner, with Moore having a first place. Nice to have Roger returning!

Sept 15 Race Committee is #20, David Cornfield cannot make it. Any volunteer
