Ten racers came. Two went home before the race started. Moore didn't like the light winds (he was right) and Stacie Thorlakson came to say Aloha and give us some brownies. (We will miss you Stacie.) Eight boats went out to race in very light wind. When your GPS says 28 seconds moving and 10 minutes stopped, it's not a good day. Thanks to PC Ted Shultz and Club Historian Jim Vaupell for running the race under trying conditions and taking pictures. Rear Commodore Phil Calvert joined them at dockside.

In third place was Martin Withington, second place Stacey Wilson and the day's winner Chris Brain.

Upcoming Race Committees:  
Please RSVP to Bill Boyeson's email about Team Racing
