Yea - there was wind and racing! Thanks to Grant Chyz for running the races. The 4-6 knot southerly evaporated 20 minutes before the start, turning into a 1-3 knot westerly. That stuck for 2 races. Then we got a bit of a NW 2-3 knot breeze for 1 race, then out of the NE for a longer 2-4 knot gear buster!

Martin Withington came in third. There was a tie for first place, with Bill Boyeson coming in second and Bob Hale having two seconds which broke the tie.

Race Committee February 27 - #7 Bill Boyeson - please confirm

March 6 - #8 Keith Johnson (or was there a switch with Glockner??)
