Each summer, Seattle Yacht Club offers evening adult sailing lessons to the community. Our adult classes a great opportunity to get out on the water and learn the fundamentals of sailing from experienced instructors.

Classes will cover the basics of sailing, including rigging, points of sail, sail trim, boat-handling, and boating safety. Classes will primarily sail Vanguard 15 dinghy sailboats, but some students may have the opportunity to sail Lasers. Students will develop their skills through on-the-water sessions, classroom discussions, and the US Sailing textbook, *Learn Sailing Right*.

We offer two sessions, each held Monday, Wednesday, and Thursday evenings for two weeks.

Boats

Vanguard 15s are two-person dinghy sailboats, and the club owns a fleet of 13. Adult classes will primarily sail these boats.

Lasers are fun, single-handed training boats that have two different sized sails to cater to the weight of the sailor.
