Welcome to the 2017 Sailing Season

The Seattle Yacht Club has a long history of organizing a broad range of public events to promote boating in the Pacific Northwest for all the boating community. I am very excited for the 2017 season!

Our events happen because enthusiastic people decide to take action, as follows: (1) A couple dozen member and guest volunteers plan and run the events, (2) the members of Seattle Yacht Club and their leadership choose to allocate coveted funds into programs that mitigate expenses but don’t cover their total costs, and (3) hundreds of people get their families and friends on the water and into our events. Whichever role you play, thank you! Your participation makes more sailing happen and enriches the lives of everyone involved.

Phil Calvert is our Race Chair for all our regattas. Phil is looking to invigorate the outstanding regattas SYC runs and to continue the rich history of racing throughout the Pacific Northwest.

Chuck Stephens is Race Committee Chair. Under Chuck’s leadership, volunteers will have excellent instruction on specific race committee duties. Please contact Chuck to get out on the water as a member of the race committee team providing top level racing services to our regatta participants.

Jim Medley is our Protest Committee Chair and brings a history of World and National sailing experience to our program. Jim’s knowledge is a welcome addition to the regatta program at SYC.

Naomi Medley is our Promotion and Public Relations Chair who will work closely with all the Chairs to promote the SYC events. Naomi is very excited to share all the SYC events through many media outlets that are available.

SYC is continuing our long standing involvement in the Leukemia Cup, with a low-key race/parade around Elliott Bay and a huge party on site at Elliott Bay Marina. In parallel with your individual causes, whatever they may be, please consider joining your fellow boaters at this fun and meaningful event. This is also a perfect way to make use of your boat and help you develop your crew into a team. Just being there is all you have to do to support our community.

The T-37 remote control sailboat program, led by Allan Van Ness, has quickly become one of the hottest sailing fleets anywhere. They have regular casual races
and some more serious championships. Anyone can play, the cost of entry is low, and the community is welcoming. Contact Allan to get involved.

The cruiser/race class is key to the soul and future of our sport. These boats sail with fewer crew on shorter, relaxed courses while the more race-optimized boats sail longer courses. Start your season by signing up for Tri-Island.

The Sailboat Committee meetings are at 6:30 p.m. on the first Thursday of most months. Whatever your interest in sailing, please come and lend a hand.

Race Registration Procedure

Online Registration

Online race registration is available from the Seattle Yacht Club website at www.seattleyachtclub.org/regattas

Printed Entry Forms

Race entry forms are available at the Seattle Yacht Club Sailing Office. Please return your completed form with entry fees to the attention of the Sailing Office at the Seattle Yacht Club.

Registration Deadlines

Registrations must be submitted online or received by Seattle Yacht Club by midnight on the entry deadline for each race. The deadline is typically the Thursday preceding the race unless otherwise indicated in the Notice of Race. Registrations accepted at the discretion of the race committee after the deadline will be assessed a $30 late fee.

Season Fee Package

A season fee is available for the Tri-Island Series. The deadline is the deadline for the first race in the package.

SYC Sailboat Racing Program

With events ranging from one-design championships to the longer-distance Tri-Island races, Seattle Yacht Club actively promotes a variety of racing here in the great Pacific Northwest. In this section:

- Overview of Sailboat Racing Events
- SYC Notice of Race Addendum
- Protection Island Race
- Mark Mayer Regatta
- Vashon Island Race
- Blake Island Race
- 41st Annual Grand Prix Regatta

Overview of Sailboat Racing Events

Hosted and Away Regattas

Each year we look for a regional or national regatta to host locally, or we send a team to a major event hosted outside our area, such as the Lipton Cup or Invitational Cup.

Tri-Island Series

The Tri-Island series continues the tradition of offering longer courses to test your stamina and strategic knowledge of Puget Sound. Pre parties will be held on the Fridays prior to Smith Island and Vashon Island. The series award party will be held at the Corinthian Yacht Club Clubhouse after the Blake Island Race. A shorter Cruiser/Racer course will be offered for each race.

Smith (or) Protection Island Race

Alternating between Smith Island in even years, and Protection Island in odd years, these courses are our longest races for the year, with several challenging decision points and the opportunity to experience more wind, waves, and current conditions than normal.

Vashon Island Race

The Vashon Island course is one of the most popular races, with several distinct racing phases. Get ahead and go for a breakaway, or, if not so fortunate, hope to bring the wind to your competitors waiting at the next corner. These tactical courses will take you south with scenic views of Elliott Bay and Mt. Rainier.

Blake Island Race

Whether you’re testing your mettle or rolling the dice, you select which way to round Blake Island. Finish off Elliott Bay Marina with Tri-Island Series Awards Party at the Seattle Yacht Club Elliott Bay outstation clubhouse.
Mark Mayer Regatta

The Mark Mayer Regatta is coordinated with the Opening Day weekend. The course is just north of the Evergreen Point Bridge on Lake Washington. A post-race party will be at the Seattle Yacht Club Portage Bay clubhouse.

Grand Prix Invitational Regatta

The season’s racing activities culminate with the Grand Prix Invitational Regatta. Boats must qualify for this prestigious invitation-only event. Whole one design fleets with representative qualifiers may also be invited. Grand Prix primarily tests buoy racing skills and, if conditions are right, middle distance racing skills over a three-day period with parties every evening.

Cruiser/Racer competition at Tri-Island, Mark Mayer, and Cruise & Snooze
SYC Notice of Race Addendum

The SYC Notice of Race Addendum is common language that a particular Notice of Race may specifically incorporate. If a Notice of Race and the SYC Notice of Race Addendum are in conflict, the Notice of Race shall have precedence. The organizing authority is the Seattle Yacht Club.

1 Rules

1.1 This regatta will be governed by the rules as defined in the Racing Rules of Sailing (RRS).

1.2 The prescriptions of US Sailing to the following rules shall apply: 34, 40, 48.1, 56, 60, 61.4, 63.2, 63.4, 64.3(b), 67, 70.5(a), 76.1, 82, 86.3, 88.2, Appendix G, R, and T. The text of these prescriptions is available from the US Sailing website at raceadmin.ussailing.org/rules/prescriptions.

1.3 Other changes to the rules may be noted elsewhere in the Notice of Race or Sailing Instructions. If the Notice of Race and Sailing Instructions are in conflict, the Sailing Instructions shall have precedence.

1.4 Changes to the Notice of Race will be available from the Seattle Yacht Club website at www.seattleyachtclub.org or, if not available from the website, on the notice board at the Seattle Yacht Club south entrance.

2 Eligibility and Entry

2.1 Entrants must register online at www.seattleyachtclub.org, or by form delivered to Seattle Yacht Club, and pay appropriate fees by the registration deadline. Registration after the deadline may be accepted at the discretion of the organizing authority and may require an additional late fee.

2.2 A boat wishing to use sails with identification different from her own must receive permission from the organizing authority by the registration deadline or when her late registration is accepted. This changes RRS 77.

2.3 A boat racing in a handicap class must ensure that her correct rating is issued and recorded by the class organization by the registration deadline or when her late registration is accepted. Boats participating without a valid class certificate will not be entered or scored and her entry fee may not be refunded.

2.4 A change in a boat's handicap class rating will take effect on the day it is recorded by the class organization. Changes are not retroactive. When a boat's rating changes between races that are part of a series, the boat shall remain in the same class in which she started the series.

2.5 A boat rated by her handicap class in consideration of water ballast may use water ballast as rated. This changes RRS 51.

3 Operating and Equipment Requirements

3.1 Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The responsibility for a boat's decision to participate in a race or to continue racing is hers alone. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result
of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor’s participation in this event to the fullest extent permitted by law.

3.2 A monohull boat racing in a PHRF handicap class must comply with one of the two following sets of equipment requirements, (a) or (b). For multihulls or boats racing in an IRC class they must comply with (b):
   a) Pacific International Yachting Association (PIYA) Safety Equipment Requirements according to the category requirement identified in the Notice of Race. The text of these regulations is available from the PIYA website at www.piyasailing.net.
   b) World Sailing Offshore Special Regulations (OSR), without US Sailing prescriptions, according to the category requirement identified in the Notice of Race. The text of these regulations is available from the World Sailing website at http://www.sailing.org/documents/offshorespecialregs/index.php. The following changes apply to OSR Categories 3 and 4:
      (1) OSR 3.28.1 required as in SER Nearshore Category. If using outboard motor, it shall be on its operating mount and easily inserted into the water for immediate use including during severe sea and wind conditions.
      (2) OSR 3.28.3.b required as in Nearshore and Inshore Categories and (b) duration requirement changed to 6 hours.
      (3) OSR 4.26.2 (a) is changed to: mainsail reefing to reduce the luff by at least 10%.

3.3 Boats must comply with U.S. Coast Guard regulations.

3.4 Boats must be operated in accordance with the Puget Sound Sailboat Safety Regulations, available in the appendix of this Race Book.

3.5 The race committee may inspect a boat any time before or after racing for compliance with requirements.

3.6 Penalties under SYC Notice of Race Addendum 3 may be less than disqualification. This changes RRS 64.1.

4 Scoring

4.1 The time limit is the maximum allowable time from each boat’s starting signal to her finish time or a time of day. Boats that do not finish within their time limit, or report a halfway time as designated for the Tri-Island series, will be scored Did Not Finish (DNF). This changes RRS 35.

4.2 A boat that did not start (DNC, DNS, OCS), did not finish (DNF), retired (RET), or is disqualified (DSQ, DNE, DGM, BFD) will be scored the number of finishers plus one. This changes RRS A4.2 and A9.

5 Sailing Instructions

5.1 Sailing Instructions will be available by the Thursday before the first race from the Seattle Yacht Club website at www.seattleyachtclub.org/regattas or, if not available from the website, on the notice board at the Seattle Yacht Club Portage Bay clubhouse south entrance.
Puget Sound Sailboat Safety Regulations
2016 Revision as adopted by the Shilshole Bay, Sloop Tavern, Corinthian of Seattle, and Seattle Yacht Clubs

We share Puget Sound with its commercial traffic, including many deep-water vessels and tows. It is sobering to note that, if your boat is one mile dead-ahead of a freighter coming down the Sound at normal speed, and the freighter’s helm is put hard over to avoid you, the freighter’s bow will miss you, but her stern will not! Obviously, this implies that early and decisive action is required to keep your boat out of the path of a large oncoming vessel or tow.

1. Yachts must not sail across a tow line, too close ahead, or too close alongside of commercial traffic. Deep water vessels have limited ability to change course and speed. Barges under tow can yaw unexpectedly well out to the side at speeds essentially the same as they are being towed. Yachts should not pass less than one mile ahead and 1/4 mile to the side of large vessels.

2. Rule 10 of the International and Inland Rules to Prevent Collisions at Sea (COLREGS) requires that no power-driven vessel less than 20 meters (66 feet) in length, and no sailing vessel (of any size) may impede the safe passage of a power-driven vessel in a VTS lane.

3. Rule 9 of the COLREGS requires that no power vessel of less than 20 meters (66 feet) in length and no sailing vessel (of any length) shall impede the safe passage of any vessel which can navigate only within a narrow channel or fairway. Puget Sound can be considered a “narrow channel” for most large commercial traffic. “Impede” means to cause to alter speed or course or to take evasive action.

4. A yacht in position where it may impede commercial traffic must exit from the “danger area” immediately, under auxiliary power if necessary. If power is used, it must be reported to the Race Committee at the finish line. Also, a written report must be made on a protest form, showing the location, time, duration of power use, speed, direction of exit, and that the competitive position of the yacht was not improved. If the last item cannot be demonstrated adequately, a time penalty may be imposed.

5. Navigation lights must be shown between sunset and sunrise as required by the International Rules of the Road.

6. Observed and/or reported violations of the safety regulations may be protested. The Race Committee shall have the option of issuing a “warning” when deemed appropriate. Warnings are recorded and may be considered when judging any future reports.
Puget Sound Orca Safety Regulations

U.S. Coast Guard Advisory

The U.S. Coast Guard has requested that you be aware of Washington State Law RCW 77.15.740 which makes it illegal to:

- Cause a vessel or other object to approach, in any manner, within two hundred yards of a resident orca whale;

- Position a vessel to be in the path of a southern resident orca whale at any point located within four hundred yards of the whale. This includes intercepting a southern resident orca whale by positioning a vessel so that the prevailing wind or water current carries the vessel into the path of the whale at any point located within four hundred yards of the whale;

- Fail to disengage the transmission of a vessel that is within two hundred yards of a southern resident orca whale; or

- Feed a southern resident orca whale.
Buoy Course Marks (position relative to RC)

Please note that the Sailing Instructions for a particular race may use modified or different mark descriptions than described here.

The course diagram for buoy course marks shows the general orientation of the Race Committee signal boat “R/C”, other marks, (identified by the letters S, A, B, C, O, G, X, Y, Z and F), and the intended wind direction. All marks other than the race committee signal boat are inflatable buoys. Positions are approximate and the diagram is not to scale.

When a starting mark is for a downwind start, it may be on either side of the race committee boat.
Bearings are magnetic. Distances are nautical miles (NM). Bearings, distances, and positions are approximate. Each temporary mark is shown with its label in a circle. Each permanent mark is near its label in a square box.

With twenty active boats and over 175 races every year, the Seattle Yacht Club Deception Class Mini-12 Fleet is the most active One Design fleet in the Pacific Northwest!

The Deception, built in Victoria B.C., is a 13’ sloop designed by two Royal Victoria Yacht Club members to about one-fifth the scale of the 1980’s America’s Cup yachts. We have forty members as individual boat owners or in boat partnerships, which is a practical way to keep the costs down and get all the boats out for the regattas.

Every year we have seven series consisting of five regattas each. And with our friends at Royal Victoria Yacht Club and their ten boats, our two clubs alternate as host for an annual Inter-Club Team Race Regatta. The Interclub Regatta will be held at Royal Vancouver Yacht Club, April 8 - 9, 2017.

No regattas are held in July and August, when some members go on vacation or cruising. To accommodate our members who leave town for skiing or golfing, we score our Fleet Championship using their best five series. Each of our ownerships teams will act as race committee for about two regattas per year.

The Mini-12’s rest upon yard trailers aboard two barges at the inshore end of Dock 3 at SYC. These barges are equipped with an electric hoist to make launch and recovery easy. Take a close look at the boats and picture getting out racing on Portage Bay as captain and crew! The Mini-12 fleet is a great place to get started in your sailing career and learn from many of the regions finest and most experienced sailors.

Contact Fleet Captain Robert Hale to come out for a sail.

### Overview of Sailboat Cruising Events

#### Winter and Spring Power/Sail Mini Cruises

These early-season cruises are open to all SYC boaters, power and sail. Each cruise starts off Shilshole on a Saturday and goes to a nearby destination. AI’s are encouraged to attend; kids welcome. IF there are small craft warnings, the cruise will be cancelled. There is no charge for Mini-Cruises and they are a terrific way to get a jump on the season and enjoy time on the water with your friends.

#### Leukemia Cup

Seattle Yacht Club is a proud participant in the annual Leukemia Cup Regatta to benefit the Leukemia and Lymphoma Society with a casual race in Elliott Bay and tropical themed auction party. This event is open to everyone. We typically raise $125,000 to $150,000 in the name of the Seattle area boating and sailing community. Come take part in doing something fun and good with our sport and join the 80 or so boats and 300 people at the party at Elliott Bay Marina to enjoy the food and drink, the band, the games, and the good company!

#### Cruise & Snooze and Sailboat Rendezvous

This time-honored cruising event is ideal for families. With a reverse start and non-flying sails, everyone is guaranteed to have a great time and the racing is optional. Come and enjoy the company of your SYC sailing friends at a casual event. Spend the night at Port Madison and race back the next day.

#### Commodore’s Cruise and Sunshine Coast Cruise

Join friends, and make some new ones, on the week-long Commodore’s Cruise from Henry Island to Ovens Island, with casual races most days and overnight stops along the way. Follow it up the week after with the Sunshine Coast Cruise from Ovens to the doorstep of Desolation Sound, with interesting anchorages along the way.
Winter and Spring Power/Sail Mini Cruises

OK boaters here is the POWER/SAIL Mini Cruise schedule. Al’s are encouraged to attend; kids welcome. If there are small craft warnings, the event is cancelled. This is classified semi-official non-event event which means there is no charge for TONS of fun and adventure.

Greenbox usually starts around 1730. Dinner is potluck or at a local restaurant as below. Bring an appetizer for the Greenboxes, and something to share for the potlucks.

Registration Deadline: For information or to sign up, e-mail or phone the chairperson by 1800 on the Friday before each cruise.

Leukemia Cup Regatta

Let’s do something good with our great sport!

Seattle Yacht Club is a proud participant of the annual Leukemia Cup Regatta. There are plenty of worthy causes and top charities. Whether or not it’s our particular personal cause, the point is to pick one for our community that fits with our style and is big enough to be noticeable and widely appreciated, and focus what we can do together.

The party at Elliott Bay Marina had over 300 people who enjoyed the food, the rum, the band, and the games. Our efforts over the last nineteen years, here and across the country, have raised over thirty-eight million dollars!

Boat owners and crew can participate just by registering and showing up for the casual format sailboat regatta and/or the party that evening. If interested, we’ll attempt to match you with patients and their families to be your guests on the water for a much appreciated getaway. You will feel like you did something just by sharing what you’re already doing.

Date: June 10, 2017 (Saturday)

The Sailing School and Junior Race Team offer small boat sailing for members and guests of all ages with an emphasis on junior sailing development.

Summer Sailing School

The Seattle Yacht Club has a long-standing tradition of providing an outstanding Junior Sailing School program for children in the Seattle area. We offer classes for children from 7-18 years of age with a wide variety of class options. Over 600 young sailors participate in a total of 40 classes over a ten week period each summer. The instructional staff is trained through US SAILING, and CPR and First Aid certified.

This year’s program will run from June 19 through September 1, 2017. Classes run from 9:00 AM - 4:00 PM, Monday through Friday. Students can sign up for a week at a time, and for multiple weeks during the summer!!

Member Registration: SYC Members will be able to register from March 20-21 online, via mail, or in person. After this period, the policy will be first-come, first-served whether member or non-member. We ask that you use your SYC membership number for billing purposes. Member prices include members’ children, grandchildren, and junior members.

Non-member Registration: Guest registration will begin on Wednesday, March 22 from 8:30 AM – 4:30 PM, both on-line and in the Sailing Office, located near the south entrance to the Seattle Yacht Club Portage Bay clubhouse. Class availability will be on a first come, first-served basis. Registrations will also be accepted online and via mail, or email.
Seattle Yacht Club Junior Race Team

The SYC Race Team invites all young sailors to join in the fun, support, friendships, and camaraderie that develop from being a part of a nationally competitive sailing team. SYC Race Team sailors can take part in scheduled practices and enjoy support from our coaching crew at seven regional regattas. Advanced sailors compete in both national and international events, and over the years, the SYC program has helped in the development of many Olympic class sailors as well.

High School Sailing at SYC

To help promote High School Sailing in Seattle and create a place for graduates of our sailing school to begin participating in the sport, we are now offering a membership to the SYC Race Team for the High School season.

Vanguard 15: multi-purpose, double-handed one design (fun too)

This program is open to all kids from 7th-12th grade and does not require your school to form a team. We will mix and match sailors from all schools. Opti sailors are welcome to practice, but might not meet the grade requirement to race. This year we are providing practices at SYC twice a week during the spring season from March till late May. This will also include coaching at many local events (check http://www.nwisa.hssailing.org for the most up-to-date schedule).

Opti Green Fleet Program

Interested in taking the first step to becoming a racer? The Opti Green Fleet is the best place to start for kids ages 8-13. The group meets each summer on Thursday evenings from 5:00 to 7:30 at SYC on Portage Bay. Using our club boats, you will learn the basics of racing, advanced rigging, and boat handling. A coach will also be on hand at three local regattas. Once you feel ready to head out to Shilshole and sail with the regular Opti Team, your fee can be forwarded toward the regular Race Team annual fee.

Adult Sailing Courses

Seattle Yacht Club’s adult sailing sessions offer an excellent way to get out on the water and learn the basics of small boat sailing. Using the club’s Vanguard-15’s, 420’s, Lasers, and J/22’s the classes start with the basics including rigging, points of sail, sail trim, boat-handling, and boating safety. Students develop their skills
through on-the-water sessions, “chalk talk” discussions, and work in textbooks. Classes are open to all levels, and advanced sessions are offered for more experienced sailors ready to learn racing tactics.

Private Sailing Lessons

Enjoy the individual attention and customized instruction of private lessons at Seattle Yacht Club. Whether you're looking to learn from scratch, refresh your basic sailing skills, or learn more advanced techniques, private lessons provide the opportunity to learn what you want when you want.

J/22 on Lake Union

The Small Boat Fleet at SYC

SYC is committed to our program to grow boating with the acquisition and maintenance of our small boat fleet and support boats, including twenty Lasers, twenty-nine Optimists, two 29ers, twelve Vanguard 15’s, six 420’s, six J/22’s, five Avon inflatables, six Boston Whalers, one Grady White, and the 40' m/v Portage Bay trawler.

The Optimist is an eight foot, kid-sized single-handed dinghy that is easy to manage and fun to sail.
The **Vanguard-15** is the primary training boat at SYC. This stable, double-handed boat with a main and jib is the national standard for novice and advanced sailors to master the basics and to develop teamwork.

The Olympic-Class **Laser** is a high performance single-handed dinghy for intermediate and advanced sailors. It is a great platform to build boat-handling and racing skills. This boat has two different size sails, allowing us to tailor the boat to the weight of the sailor.

The **420** is an ideal entry-level training boat for all ages. This is a double-handed boat with main and jib. Advanced sailors can rig the spinnaker and trapeze for an exhilarating thrill.

The **J/22** fleet is a closely match set of 6 keelboats available to all SYC members for a small usage fee. Match Racing, Team Racing, one-design regattas, or an afternoon sail are all perfect uses for our new fleet.
