to the race committee as soon as reasonably possible.

12 PROTESTS

12.1 A boat intending to protest or request redress for an incident that occurred while racing must orally notify the race committee signal boat as soon as reasonably possible after retiring or finishing by hail or VHF 72 until she receives an oral confirmation from the race committee. This changes RRS 61.1(a). If unable to do so, a boat shall notify the Seattle Yacht Club front desk by telephone at 206.325.1000 at their earliest opportunity.

12.2 For Protection Island Race and Vashon Island Race:

- (a) Written protests and requests for redress must be delivered within the protest time limit to the front desk of the Seattle Yacht Club Portage Bay clubhouse.
- (b) The protest time limit is at 1700 the Sunday after the start of the race.
- (c) Hearing notices will be posted on the official notice board within 60 minutes after the protest time limit to inform parties of the time and place of the hearing. Unless otherwise posted, hearings will be held on the Tuesday following the race at 1900 at the Seattle Yacht Club Portage Bay clubhouse. The posting of hearing notices shall be considered notice as required by RRS 63.2.

12.3 For Blake Island Race:

- (a) Written protests and requests for redress must be delivered within the protest time limit to a representative of the protest committee near the official notice board.

(b) The protest time limit will be posted on the official notice board and will be 45 minutes after the end of the race or 10 minutes after the posting of the time limit, whichever is later.

(c) Hearing notices will be posted on the official notice board within 10 minutes after the protest time limit to inform parties of the time and place of the hearing. Hearings may commence at any time if parties are present and prepared; otherwise, hearings may be scheduled as early as 10 minutes after the protest time limit. The posting of hearing notices shall be considered notice as required by RRS 63.2.

12.4 A boat may not protest another boat for Sailing Instructions 9.5 or 10.4. This changes RRS 60.1(a).

12.5 Penalties under Sailing Instructions 9.5, 10.4 or 14 may be less than disqualification. This changes RRS 64.1(a).

13 SCORING

13.1 Boats will be scored in class and course overall for each race and the series. Course overall scoring for monohulls and multihulls will be separate.

13.2 Corrected times for PHRF Northwest handicap classes will be calculated using the Time on Distance method. Corrected times for ORC classes will be calculated using the Time on Time method.

13.3 A boat that did not start (DNC, DNS, OCS), did not finish (DNF), retired (RET), or is disqualified (DSQ, DNE, DGM, BFD) will be scored the number of finishers plus one. This changes RRS A4.2 and A9.

13.4 A boat's series score will be the total of her race scores with no scores excluded. This changes RRS A2.

13.5 One race will constitute a series.

13.6 If the race committee does not shorten course under RRS 32, Shortening or Abandoning after the Start, a shortened course option is available to boats on all courses that sail to a predetermined shortened course option finishing line (the "short line") and subsequently retire. Boats using this option must reach the short line within their full course time limit and report their finishing time to the race committee when they retire as per Sailing Instruction 14.3.

Boats should record their shortened course finishing time accurately to the second (e.g. using GPS time) and at the time she finishes as per RRS definition of "finish" at the short line. Boats using the shortened course option will be considered finishers and will be scored in class and overall based on their time and the distance for the shortened course starting immediately behind boats finishing the full course that are not subject to Sailing Instruction 13.3. For races using handicaps based on time on distance, the distance will be based on the shortest navigable distance along the course to the short line.

The location of the short line is as follows:
