

NOTICE OF RACE

2021 T-37 National Championship Regatta

October 2, 2021, at Seattle Yacht Club

1. ORGANIZING AUTHORITY

Pacific Northwest Model Yacht Club (PNMYC) is the organizing authority of this regatta.

The regatta is jointly sponsored and hosted by PNMYC (PNMYC.org) and Seattle Yacht Club, 1807 East Hamlin St, Seattle, WA 98112 (seattleyachtclub.org).

This class championship regatta is sanctioned by the American Model Yachting Association (AMYA).

2 RULES

2.1 World Sailing Racing Rules of Sailing, USSailing prescriptions, Appendix E Radio Sailing, Class Rules, this Notice of Race (NOR), and the Sailing Instructions apply.

2.2 By entering this regatta, each participant agrees to be bound by the Rules that govern it.

3 This NOR MODIFIES Racing Rules of Sailing 26, 31, 41, 45, Appendices A2, E2.3, E3.4, E4.2, E8 and G1, thus:

3.1 Boats may touch marks of the course while racing. This deletes RRS 31.

3.2 One worst score will be excluded from a boat's total score for every three races scored. This modifies RRS A2.

3.3 Boats launching after the One-Minute Preparatory Signal or re-launching after haul-out during racing may only be lowered to the water and then released or pushed by hand grasping only parts above the top of the jib. This modifies RRS 45.

3.4 Start sequences may be shortened to:

- a hailed Warning Signal less than one minute before the Preparatory Signal,
- an audible Preparatory Signal at one minute,
- audible signals counting down to the start,
- an audible start signal.

This modifies RRS 26 and E3.4a.

3.5 A boat disabled by entanglement, grounding, or temporary loss of radio control may receive outside assistance from any source equally available to all competitors and may then continue in the race. A boat that gains a significant advantage over another boat from such assistance shall take a Penalty or Penalties in accordance with RRS E4.3 or retire. This adds to RRS 41, E2.3, and E4.2.

3.6 Class- or PNMYC-posted sail identification schemes are permitted in place of RRS E8 and G1.

3.7 In a race conducted in heats, a boat that does not start within two minutes after her starting signal shall be scored OCS or DNS without a hearing.

4 This NOR MODIFIES the T-37 Class Rules thus:

4.1 Each boat shall mount a bow bumper extending from the deck down to a point 5/8" above an extension of the hull bottom plane and made of materials suitable for preventing damage to other boats.

4.2 Appendices E8 and G1 and PNMYC-posted sail identification schemes are permitted.

4.3 Jib boom counterweights are permitted, but shall not extend beyond the wooden bow.

4.4 The mast base may be adjustable fore and aft.

4.5 Removable ballast beyond the 5 pound minimum is permitted within or above the hull. Such ballast may be changed between races.

4.6 Keel bulb fore to aft dimension must not exceed 5-3/16 inches.

Modification of the basic size and shape of the bulb in excess of surface coating with epoxy and paint is not permitted.

4.7 Weight and balance: Upon arrival, in addition to minimum weight, the righting moment of each boat will be tested as described at PNMYC.org. A boat failing the balance test shall add weight to the mast to bring it into compliance.

4.8 The time limit for questioning or challenging the class legality of any boat entered in this regatta is 15 minutes before the scheduled warning signal for the first race. If the T-37 Class Secretary agrees with the challenge, the boat in question will not be allowed to race in the NCR unless modified as above and certified by the Class Secretary.

The decision of the T-37 Class Secretary as to the Class legality of any boat entered in the NCR is final and cannot be protested before, during or after the NCR. Decisions regarding boat compliance apply only to this regatta and will not set a precedent for future changes to the Class Rules.

5 CHANGES TO NOTICE OF RACE

5.1 Changes to the NOR shall be posted on the PNMYC.org website.

6 ELIGIBILITY AND ENTRY

6.1 The regatta is open to all class-legal T-37 radio-controlled racing sloops, and to those modified only as permitted by this NOR.

6.2 To enter the regatta complete the entry form and Release and, if necessary, the AMYA member forms.

6.3 The entry fee is \$25 if received before Sept. 25, 2021, and \$30 thereafter.

6.4 The American Model Yachting Association sanctions this national championship regatta and thus **CURRENT AMYA MEMBERSHIP IS REQUIRED TO ENTER.** Use the attached form or apply online at www.theamya.org/join/

In addition, all boats must be registered with the Class Secretary, Will Lesh. This is a one-time, lifetime \$7 registration. Your boat may already be registered. Inquire at theAMYA.org, click Members Only and log in.
6.5 Early entry is helpful. On race day all forms and fees for regatta entry, AMYA membership, boat registration, and optional PNMYS membership will be accepted on site prior to 9:00 AM.

7 RACE DAY

7.1 SCHEDULE

0900 Deadline for receipt of entry documents & fees.
0945 Competitors meeting.
1000 Warning Signal for the first race
1230 (approx.) 45 min. break. **Bring your own lunch.**
1530 If six or more races have been completed, no race will be started after this time without the race committee's express determination to extend the deadline to complete additional races.

7.2 The number of boats competing may compel use of a split fleet heat format. Before each race all boats will be assigned in heat A or B.

7.3 We plan 10 to 12 races or pairs of heats. The number of races will depend on the weather conditions and time of day, at the race committee's discretion.

7.4 The awards ceremony will begin in the SYC Clubhouse shortly after conclusion of racing.

8 SAILING INSTRUCTIONS AND NOTICES TO COMPETITORS:

8.1 The Sailing Instructions will be available on the PNMYS.org website. Printed copies will not be distributed.

8.2 Notices to Competitors, NOR, and Sailing Instructions will be posted in the Launch Area.

9 RACING, LAUNCHING, CONTROL AREAS

9.1 Racing will be in Portage Bay, Seattle, adjacent to Seattle Yacht Club beyond Dock 2.

9.1 The Launch Area and competitors' Control Area will be the end of Dock 2 and its attached floats.

10 COURSES, MARKS, AND OBSTRUCTIONS

10.1 The Sailing Instructions will describe courses and obstructions and how they will be indicated.

11 SCORING:

11.1 The low-point scoring system of RRS Appendix A will apply, as modified in this NOR.

11.2 One worst score will be excluded from a boat's total score for every three races scored. This modifies RRS A2.

12 PRIZES:

12.1 PNMYS will present first, second, and third place awards. The American Model Yachting Association will award Championship chevrons.

12.2 The winner's name will be engraved on the championship perpetual trophy, which the winner shall return to PNMYS prior to the 2022 T-37 National Championship Regatta.

12.3 The name of the "big boat" yacht club with the combined best three scores of its participating T37 members will be engraved on a perpetual trophy which remains the property of PNMYS, but may be displayed at the winning yacht club until next year's NCR.

13 FURTHER INFORMATION

13.1 For further information, visit PNMYS.org or contact Regatta Chairman Allan Van Ness at van.ness444@gmail.com

14 OPERATING REQUIREMENTS AND DISCLAIMER OF LIABILITY

14.1 Competitors in this regatta participate entirely at their own risk. See RRS 4, Decision to Race. Responsibility for a competitor's decision to attend or participate in a race or to continue attending or racing is his alone.

14.2 The race organizers (organizing authority, race and protest committees, host clubs, sponsors, any other organization or official) will not be responsible for damage to any boat or other property or the injury, including death, to any competitor sustained as a result of participation in this event.

14.3 By participating in this regatta event, each competitor agrees to release the Pacific Northwest Model Yacht Club; its members and officers; Seattle Yacht Club; its members and officers; the American Model Yachting Association; the race organizers, officials, and assistants; and the municipality, county, and any entity in ownership or charge of the racing venue from any and all liability associated with such competitor's participation to the fullest extent permitted by law.
