magnetic. If a boat finishes under these circumstances, to be scored as finishing she shall note her finishing time accurately to the second (e.g. using GPS time) and her finishing position in relation to any nearby boats and report them to the race committee as soon as reasonably possible. This changes US Sailing prescription to RRS 34.

11 TIME LIMIT

- 11.1 The time limit is the maximum allowable time from each boat's starting signal to her finish time or a time of day. Boats that do not finish within their time limit will be scored Did Not Finish (DNF). This changes RRS 35.

- 12.1 A boat intending to protest or request redress for an incident that occurred while racing must orally notify the race committee signal boat as soon as reasonably possible after retiring or finishing by hail or VHF 72 until she receives an oral confirmation from the race committee. This changes RRS 61.1(a).
- 12.2 For Protection Island Race and Vashon Island Race:
- (a) Written protests and requests for redress must be delivered within the protest time limit to the front desk of the Seattle Yacht Club Portage Bay clubhouse.
 - (b) The protest time limit is at 1700 the Sunday after the start of the race.
 - (c) Hearing notices will be posted on the official notice board within 60 minutes after the protest time limit to inform parties of the time and place of the hearing. Unless otherwise posted, hearings will be held on the Tuesday following the race at 1900 at the Seattle Yacht Club Portage Bay clubhouse. The

posting of hearing notices shall be considered notice as required by RRS 63.2.

Hearings may commence at any time if parties are present and prepared; otherwise, hearings may be scheduled as early as 10 minutes after the protest time limit. The posting of hearing notices shall be considered notice as required by RRS 63.2.

12.4 A boat may not protest another boat for Sailing Instructions 9.5 or 10.4. This changes RRS 60.1(a).

- 13.2 Corrected times for PHRF Northwest handicap classes will be calculated using the Time on Distance method.
- 13.3 A boat that did not start (DNC, DNS, OCS), did not finish (DNF), retired (RET), or is disqualified (DSQ, DNE, DGM, BFD) will be scored the number of finishers plus one. This changes RRS A4.2 and A9.
- 13.4 A boat's series score will be the total of her race scores with no scores excluded. This changes RRS A2.
- 13.5 One race will constitute a series.
- 13.6 If the race committee does not shorten course under RRS 32, Shortening or Abandoning after the Start, a shortened course option is available to boats on all courses that sail to a predetermined shortened course option finishing line (the "short line") and subsequently retire. Boats using this option must reach the short line within 80% of their full course time limit and report their finishing time to the race committee when they retire as per Sailing Instruction 14.3 within the full course time limit. Boats should record their shortened course finishing time accurately to the second (e.g. using GPS time) and at the time she finishes as per RRS definition of "finish" at the short line, except that as a boat approaches the short line for this purpose she must leave any mark that bounds the short line on the required side. Boats using the shortened course option will be considered finishers and will be scored in class

and overall based on their time and the distance for the shortened course starting immediately behind boats finishing the full course that are not subject to Sailing Instruction 13.3. For races using handicaps based on time on distance, the distance will be based on the shortest navigable distance along the course to the short line. The location of the short line is as follows:

14 OPERATING AND EQUIPMENT REQUIREMENTS

14.1 Sailing is an activity that has an inherent risk of damage and injury. Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The responsibility for a boat's decision to participate in a race or to continue racing is hers alone. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to

any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

14.2 Boats must check in with the race committee signal boat at the starting area each day before their first warning signal. Boats should check in by hail unless safety requires checking in by VHF 72.

14.3 A boat that retires while racing must orally notify the race committee as soon as possible after retiring by hail or VHF 72.

14.4 A boat racing in a handicap class must comply with one of the two following sets of equipment requirements, (a) or (b):

(a) *Pacific International Yachting Association (PIYA) Special Equipment Regulations Governing Minimum Equipment and Accommodation Standards (SER)*, as changed by the Notice of Race, to the category requirement identified below. The text of these regulations is available from the PIYA web site at www.piyasailing.net.

(b) *ISAF Offshore Special Regulations (OSR)*, without US Sailing prescriptions, as changed by the Notice of Race, to the category requirement identified below. The text of these regulations is available from the International Sailing Federation (ISAF) web site at www.sailing.org/documents/special-regs.

Seattle Yacht Club

Established in 1892

- 14.8 A boat that uses its propulsion engine under RRS 1.1 and 42.3(f) or to move to a safe position if it is in danger of being run down by a vessel not participating in the race must either retire or file a request for redress. The request for redress must include the reason for using the propulsion engine and distance and direction traveled. When hearing the request for redress the protest committee will adjust the boat's time or score to remove any advantage that may have been gained in the race. This defines the circumstances in RRS 42.3(h) and changes RRS 62.1 and 64.2. This does not restrict a boat from requesting redress under RRS 62.1(c) for the same incident.
- 15 SOCIAL ACTIVITIES AND AWARDS**
- 15.1 The series awards party will be at the Seattle Yacht Club clubhouse at Elliott Bay Marina from 5 to 9 PM after the Blake Island Race. The party will have free appetizers, a no-host bar, music, and participation prizes for each boat.
